

INDIAN SCHOOL AL MAABELA
(ISO 9001:2015 CERTIFIED INSTITUTION)
MIDDLE SECTION (2021-2022)
CIRCULAR TO PARENTS - STD VIII

ISAM/CR/MDL/18

20 October 2021

Dear Parents / Students,

Greetings & good wishes!

Though the world was reeling under the impact of covid-19 pandemic for a year and a half, we, at last, emerged stronger manifesting our will and determination. Happier we are that the hybrid classes (Online/Offline classes) are to begin shortly, a long awaited news indeed. ***We thank the Ministry of Education, Sultanate of Oman, and Board of Directors of Indian Schools in Oman for making the reopening of schools happen.***

Our commitment towards Education, calls for a well-designed and strategic planning to execute the hybrid classes (Online/offline classes). With the hope of receiving a collective effort from the parents and students, we are starting our classes from **01 November 2021, Monday.**

Guidelines to be followed while coming to school:

- ❖ School timing – **07.00 am to 01.40 pm** from Sunday to Thursday. (*subject to change)
- ❖ **Parking, Entry and Exit gate no 3** near school ground.
- ❖ It is advisable for the students to have received **the two doses of vaccine.**
- ❖ Each student should carry a copy of the vaccination details (**Vaccination Certificate**) to school.
- ❖ Students must strictly adhere to the rules of the school regarding the **uniform.**
- ❖ Boys are expected to have **proper haircut.**
- ❖ Girls must tie up their **hair in two plaits** with white elastic hair bands.
- ❖ Following **Ministry's covid protocol**, use of masks and hand sanitizers are mandatory. (Face shield and gloves are optional.) **Social distancing** must be strictly observed.
- ❖ Parents should **arrange for the transport of their ward.** It is the responsibility of the parent to make sure that covid protocols are followed in the transport too. **Timely drop and pick up** of the student are recommended, as this would avoid any kind of gathering after school.
- ❖ Canteen facility will not be available. No sharing of food or water among students will be allowed.
- ❖ If any kind of illness or health issue is faced during class hours, students are requested to inform the class teacher or staff nurse immediately.
- ❖ Strictly **avoid bringing electronic gadgets** to school. School phone can be made use of if needed.
- ❖ Detailed timetable will be released soon.

Your cooperation in this regard will be appreciated.
