DATE:28.04.22

Dear Parents,

Greetings and wishes from Pre-Primary Department!!!

"Education is the greatest gift of life, it should never stop."

BAG WEIGHT: Carrying heavy weight and oversized school bags can cause young children to develop serious spinal deformities. Parents are requested to follow the guidelines shared in the WhatsApp group and send the textbooks and notebooks accordingly.

WATER PLAY SESSIONS:

The water play sessions allow the students to develop the fine motor and gross motor skills. Students of KG 2 and Grade 1 will be taken to the baby pool for the water play sessions during the months of April and May 2022. The Timeslots for the waterplay sessions are shared by the respective teachers in the WhatsApp class groups.

HEALTHY EATING: As parents, you should help your children have healthy eating habits. Children need a balanced diet with food from all 3 food groups—vegetables and fruit, whole grain products, and protein foods. Pack the food in ways they can eat easily. For example, cut into pieces, or mash food to prevent choking in younger children. Help your children learn to use spoon so that they can eat independently. Make sure the child drinks 8- 10 glasses of water every day.

KG- DRESS CODE FOR SUMMER: Summer days bring warmth, sunshine, and plenty of opportunities to play. During summer's toastiest days, your wards are at a risk of overheating. To make sure your little ones are comfy, protected and cool, choose loose-fitting clothing made of 100% cotton. Kindly provide a sun hat. Sun hats are a great way to protect your little ones' face, scalp, neck and ears.

KG 1 BOOK SALE: KG 1 book sale is scheduled after the Eid holidays. Date and the time slots will be shared by the respective class teachers in the class WhatsApp group.
