Dear Parents,

Greetings and warm wishes!

**WORLD ENVIRONMENT DAY – 5<sup>th</sup> JUNE 2022**

Environmental awareness is to understand the fragility of our environment and the importance of its protection. Promoting environmental awareness is an easy way to become an environmental representative and participate in creating a brighter future for our children.

To create this important value in children the Preprimary Department of ISAM has initiated the **NATURE CLUB**.

Through Nature club the following Activities are planned

- Make a badge and gift it.
- Go Green – Let us Save Trees. (Awareness to save trees)
- Walkathon and formation of student chain by **GREEN ARMY**
- Send one placard (A4 SIZE) with any one slogan on save earth (sample slogans will be posted in group for reference).

Sample: 

**Dress Code: GREEN COLOUR FOR STD 1 & 2 STUDENTS** (Not Compulsory)

For further queries please contact class teacher.

Thank you for your cooperation

Regards
