CIRCULAR TO PARENTS (KG to XII)

ISAM/ CR/ADM/2022- '23/022

29 May 2022

Dear Parent,

Greetings & Good wishes from Indian School Al Maabela !

Introducing ISAM International (ISAM-i)

As a part of taking a lead role in imparting holistic education to society, Indian School Al Maabela wishes to make great strides in the realm of education by providing the stakeholders with the **Cambridge curriculum using a unique blended and enquiry-based learning model.**

The Cambridge curriculum teaches students to develop an intentional interest and desire for learning, and it also equips them with the necessary skills required to succeed at major universities and corporate companies anywhere in the world.

The Cambridge board has an international curriculum and is more suitable to the needs of people who aspire to relocate abroad in future. As it is an international syllabus, it will help them to continue with the same curriculum when they go abroad. It provides an internationally recognized education that prepares them to compete globally while in pursuit of their academic and career development.

Initially we are planning to start the **Early Year International Curriculum (KG), & Cambridge Primary (Classes 1 to 5) for a very competitive and affordable fee structure. The parents who would like to enroll their wards in ISAM-i** are requested to fill the consent form given below and handover to the class teacher on or before **01 June 2022.**

Note: This consent form is only for knowing the parent's willingness in facilitating the Cambridge curriculum & not for confirming the enrollment of the child.

Warm Regards

**P.Prabakaran
Principal**
