Dear Parents,

Greetings!

As part of our initiative in providing an all-round holistic development of our students, we are glad to inform you that *Scouting and Guiding sessions* will be conducted in our school.

Scouting and Guiding is a voluntarily educational movement for people, mostly teenagers and is open to all. The whole idea behind the Scouts/Guides, is to contribute to the development of youngsters in gaining their *full physical, mental, emotional, social and intellectual potential* as individual human beings, as responsible Indians and as members of their local, national and international communities.

Aim of Scouting & Guiding:

The Aim of Scouting and Guiding is four-fold.

- 1) Formation of character.
- 2) Formation of sound health habits.
- 3) Training in the handicraft and the acquiring of useful skills.
- 4) Cultivation of a proper spirit of service efficiently.

The sessions will be conducted on alternate Thursdays during the Zero Period.

The students need to maintain the **Scouts and Guides Logbook** and wear the **Scouts and Guides uniform** for the sessions

Details regarding the same will be shared later.

All the students of classes 6,7 and 8 must actively participate in all the sessions.
