Dear Parents
Greetings!

ISAM envisions its students carve a niche for themselves in whatsoever endeavors they undertake. Furthermore, it extends priceless opportunities for the pupils to grab, excel and emulate.

In this journey of sparkling the young minds, Middle school takes a wider stride, by conducting “Tarang 2022”

It's a fact that each student is endowed with a unique repertoire of gifts, talents and skills. In truer sense, children are a hub of such unfathomable creative skills. Institutions play their role in tapping their creativity which advocates a phenomenal progress in due course.

This display of talent is a tool of enlightenment as students get to know and portray their amazing abilities. As we unveil this extraordinary event, it gives a clarion call to the students of Middle School who have a creative bent of mind.
