**Dear Parent,**

Greetings from Indian School Al Maabela!

**“Motivation determines, what you do. Attitude determines how well you do it”**

Education aims for the overall development of a child which includes scholastic and co-scholastic areas. To enhance the emerging talents of ISAM, the school is organizing a Spring Camp, to develop Kinesthetic skills through the Sporting activities, Music, dance, Art and Craft, and also the intellectual skills through Information and Technology.

The students of classes 1 to 8 can participate in the camp as per the activities given below. Each child is expected to register for minimum of two events according to your transport conveyance availability. The camp starts on 15<sup>th</sup> March, 2023 and ends on 22<sup>nd</sup> March, 2023 (excluding Fridays). **Since registration is free ‘First come First served’ will be followed.**

**Last date of registration would be Wednesday, 15<sup>th</sup> February, 2023**

The parents have to make the required transport arrangements to drop and pick their wards before and after the camp. However, students already using the school transport can avail of it during this period.

**Warm Regards**
