08 Aug 2023

Dear Parents,

Warm greetings from ISAM!

Tell me and I forget. Teach me and I remember. Involve me and I learn.

–Benjamin Franklin

The National Education Policy 2020 lays particular emphasis on the development of creative potential of each individual. The key overall thrust of curriculum and pedagogy reform will be to move the education system towards real understanding and towards **learning how to learn** and away from the culture of rote learning. In order to familiarize our students with various techniques of assessments, the department is planning to conduct Term examinations in 2 modes, ie. **Written Test** and **E-Test**. **E-Test** will help the students to confidently prepare and equip them to face the CBSE Safal examinations and other online tests in future. **E-Test** for Term I examination will begin in the month of August. Kindly note the important points of **E-Test** mentioned below.

POINTS TO NOTE:

- ❖ An unseen passage from the topics given for assessment will be provided to the students.
- ❖ The E-Test Question paper comprises of Multiple-Choice Questions based on the passage and it will be tested during class hours in the computer lab.
- ❖ Assessment date will be intimated by the respective class teachers.

We look forward to continued, meaningful and constructive academic engagement with the students. Good wishes for the forthcoming assessments!
